# The Fair is Coming!!!

That's right folks! The 34th annual Innisfree Fair will take place on August 13 and there are a number of activities taking place to entertain every member of the family, young and the young at heart.

The day starts off with a pancake breakfast at 7 a.m. at the Seniors Hall followed by the parade through the village.

The annual horse show gets underway at the Innisfree Rec Park arena as the bench show opens for viewing of all the handicrafts, horticulture and other goods.

The exciting soap box derby will see a number of racers zing down the hill past the fire hall. You never know who you might see racing this year!

The fair supper entertainment this year is the Laurence Brothers. The four-brother band, Liam, Jeremy, Luke and Joe, have been playing music for most of their life and over the last fifteen years, have been performing together in and around Central Alberta. You can be sure they will have a mix of genres suited to entertain the dinner guests at the Rec Center.

Don't miss out on this fun filled day of local events to celebrate all things Innisfree!

# Mayor's Report

I hope everyone is enjoying summer. I am. The Village was the recipient of some lovely trees and shrubs. Mr. John Stewart called us when Craig's Greenhouse was closing for the season and asked if we would like some trees and shrubs. They donate to communities and public places when the greenhouse season ends. We have planned these trees and shrubs around town, at the Village sign and in the campground. I am very pleased to see these additions to our Village and hope you will have a look at them.

Were you down to the Vermilion Fair this year? The Vermilion Ag Society invited the Museum to put up a display in their Heritage Building. Thanks to Louise Bohaichuk and Jennifer Hodel for setting up the display. I thought it was a very good display and I was told that many people stopped by and checked it out. I believe that this display will bring visitors to town to see the museum. We will need more people to volunteer to host these visitors. If you can spare some time come and see me or Jennifer at the Village office. The museum is open Tuesday to Sunday from 10:00 a.m. to 2:00 p.m. There is so much information to read and see, and there are some new items for those who have not been there for a while.

Did you have a chance to see some of the ball games at the Recreation Park ball diamonds the weekend of July 18-20? Thanks to the Innisfree Fish and Game for helping put new shale on the diamonds.

Thanks to the volunteers that have taken the time to work on maintenance of the cemetery.

Remember that children out of school for the summer vacation, and to slow down passing the school. Children are going to the playground on the west side of the school and there are children's activities.

The 34<sup>th</sup> Annual Agricultural Fair and Horse Show is coming up on August 13. The fair books are out and you can pick one up at the Village office or the post office lobby. If you would like to help out at the fair. Please contact myself @ 780-592-2083 or Tracy @ 780-592-2081. There are lots of opportunities to help make the fair another great success this year.

There will be a soap box derby car building workshop in August. Look for the information in this issue of the Informer. Make your racer now and be ready for the derby on fair day.

Enjoy the sunny days with your family and friends.

"Go confidently in the direction of your dreams, live the life you have imagined." ~Henry David Thoreau

# **Innisfree Cemetery Committee Update - July**

The Cemetery Committee met on Wednesday, July 30 and had many issues to discuss and decisions to make. A set of regulations and a new schedule of fees will be published in the next informer for your information and feedback, then sent to Village Council for approval, and should be in place early this fall.

We sent a letter to the County of Minburn earlier this month requesting assistance for fencing, signage, and an up-to-date survey of the cemetery. We received a reply July 30 in which the County has approved the financial assistance. We will put together a plan and cost estimate over the next month. If you have any suggestions, or would like to submit a proposal and bid for the cemetery sign, please let us know.

Many of you may already know this, but the line of maples running east to west through the cemetery marks the boundary of the original cemetery grounds. The grounds were expanded in the 1950s to include the Ukrainian Orthodox community. That community still contributes to the operation and maintenance of the cemetery, most recently this summer with a generous donation. Thank you to the members of St. John's Ukrainian Orthodox Church.

Reconstructing the history of the cemetery and reconciling the 1954 version of the cemetery map with the actual grave sites is an interesting task. By law, we are required to keep certain records and information, and we have most of it, just not in a single accessible location but instead spread among many types of documents: the original and current cemetery maps, burial permits and cremation certificates, receipt books, and account books. That's why we have purchased a cemetery management software package that will allow us to keep all that data in one place, to note changes when necessary, and even to upload pictures to the files.

If you're interested in genealogy, you know how helpful that information is. As you can imagine, it's a big job, and we're lucky to have dedicated volunteers. Thank you to Allan Sharp for taking photographs of all the gravestones. We always have a seat at the table (and a job or two) for anyone who has the time and interest to volunteer. Could you spend a few hours a week searching old records to find and verify information, or help search for next-of-kin names and addresses?

We have a few unidentified graves, and adding to our difficulties is the lack of records from before 1968. There is probably a ledger and/or burial permits for the years before 1968, but we haven't been successful in locating any records yet. If you have any ideas were these might be, please call.

**Fair Day Hours** 

August 13, 2014

11am – 4pm

Don't forget to stop in for your free ice cream between 11 & 1pm & watch for our table at the trade fair!

We wish to extend our gratitude to the Vermilion Credit Union for including us in their annual charity golf tournament. We received a donation of \$3500.00!! This will go a long way to developing our collection!

The Library Board would like to thank all those who donated and wrote letters of support for our newly installed ramp. We look forward to using it, as it is a great addition that will benefit all group users of the building.

Thank you to everyone who made donations to our library in memory of Borden Kaminsky.

It is greatly appreciated.

### **SUMMER READING PROGRAM**

With almost 100 kids attending our program over a 6 day period our Summer Reading Program was a huge success again this year! We kicked off the program with an awesome performance by Children's entertainer Mary Lambert. The kids (& adults) had a great time singing and dancing along with Mary!

We then had 6 days of themed programming. We made our way through 6 different worlds hunting for the Green Golden Goose & her treasure! We had games, crafts, activities and of course reading time! The snacks were great and fit the theme of each day – Bunny rabbit veggies & the Golden Green Goose herself! We ended with a clue hunt and found the treasure chest full of goodies!

Thank you to all the volunteers who helped supervise and make desserts – we couldn't have done it without you! We hope to see all the kids back next year! July 10, 11, 12, & July 17, 18, 19 of 2015!!

### Thank You from the Innisfree Slo-Pitch Tournament

On behalf of the Organizing Committee, Thank You to all the volunteers, teams, sponsors, spectators, and the community for your support of the 2014 Innisfree Slo-Pitch Tournament. You made this year's event a **HUGE success!** 

A special thank you to: the Village of Innisfree, the Innisfree Park & Campground and staff, the Innisfree Ag Society and all their members and volunteers, Shannon and the staff of Porky's Catering, Dwayne Fowler and Family, Innisfree Hotel, Neil Napora and Vermilion Lakeland College, Proctor Music Productions, Morris Anderson and Hugh Fleming, Allen Nott and Blake Sydora, the Jackson Family, the National Softball Association, all the volunteers that spent countless hours preparing the grounds and diamonds and helped throughout the weekend.

The 2014 Innisfree Slo-Pitch Tournament hosted 19 teams from across central Alberta and Saskatchewan, playing 34 games over a three day weekend. The tournament also included a Saturday night social hosted by the Innisfree Ag Society. Thanks to the generosity of everyone involved, we donated \$825 from over-flow camping to the Kids with Cancer Society on behalf of Dwayne Fowler and Family.

The Kyle Jackson Memorial Skills Competition was unfortunately cancelled this year due to weather, field conditions, and player safety. However, this popular event will return in 2015 in memory of Kyle.

We hope everyone had a great time and look forward to seeing you all again next year!
