If applicable, sales tax will be applied to all costs.

11.3 Personnel costs shall be reimbursed according to their positions and the current pay rate of the Assisting Party. Personnel shall not be expected to provide mutual aid assistance at a rate of pay lower than that which they receive from their municipality at the time of deployment.

11.4 The Assisting Party shall provide an invoice itemizing resources supplied including description of costs tallied based on established rates, dates, hours and/or quantities.

11.5 Additional costs incurred by personnel may include mileage costs accrued through travel to and from personnel incident reporting locations.

11.6 An Assisting Party may waive full or partial reimbursement costs of resources, personnel loss, or damages to the Requesting Party. The Assisting Party should notify the Requesting Party of their intention to waive any such costs as soon after the incident as possible.

11.7 Any account that is unpaid past ninety (90) days of receipt of the invoice shall be subject to the interest rate stipulated on the Assisting Party's invoice which shall not exceed the Bank of Canada rate at the date of invoice plus two percent (2%) per annum until paid.

11.8 Extensions to deadlines for payment may be extended past ninety (90) days upon approval from the Assisting Party.

12. Documentation & Resource Tracking

12.1 All requested resources and personnel shall be documented and tracked as best as possible by the Requesting Party.

12.2 Not withstanding 12.1, the Assisting Party is responsible for tracking resource time and costs for later reimbursement and invoicing purposes.

13. Liability

13.1 Each Party shall hold throughout the entirety of this Agreement general liability insurance of not less than \$5,000,000 per occurrence for personal injury, public liability and/or property damage. A copy of the Certificate of Insurance indicating such shall be provided at the request of any of the Parties herein.

13.2 Each Party shall maintain their own vehicle and equipment insurance coverage of not less than \$2,000,000 per incident.

13.3 All insurance policies shall be primary and not contributory.

13.4 Any changes or cancellations to policy terms which reduce coverage amounts shall be provided in writing to all other signatory Parties of this Agreement.

13.5 The Assisting Party shall not be held liable for:

- Failure to respond to a request for assistance or failure to provide assistance.
- Failure to respond or provide assistance within an identified timeframe.
- Any claims that result from a Party's refusal to provide assistance.

14. Indemnification

14.1 Each of the Parties agree to indemnify and save harmless each of the other Parties for any damage or claims of any nature due to any act done in good faith in the performance of this Agreement. This includes but is not limited to all claims, losses and costs resulting in any injury, death and/or damage to any property. This excludes damage or loss caused by the gross or wilful misconduct of any of the Parties in the performance of their duties under this Agreement.

14.2 In the event of any dispute arising under this Agreement which cannot be resolved by mutual agreement between the respective Parties the same shall be submitted to arbitration. The decision rendered in respect of the proceedings shall be binding upon the respective Parties. The cost of the arbitrator will be shared equally by the Parties involved in the dispute.

15. Term

15.1 This Agreement is considered effective when it has been signed by each of the signatory Parties.

15.2 Any Party may withdraw from this Agreement given thirty (30) days' written notice to the other Parties. A notice will be considered to have been received within ten (10) days from the postage date.

16. Binding Agreement

16.1 This Agreement shall supersede any and all previous emergency and disaster mutual aid agreements with the exception of the aforementioned fire services agreements whether oral or written among the Parties.

IN WITNESS WHEREOF the signing officers on behalf of the Parties give authorization to this Agreement by their signature.

Municipal Governance

During the COVID-19 Pandemic

Frequently Asked Questions – December 18, 2020

While we continue to navigate the ever-evolving COVID-19 pandemic together, Municipal Affairs remains committed to issuing regular updates to address frequently asked questions as well as provide new information or resources as they become available. For the most up-to-date information on the COVID-19 situation in Alberta, visit <u>alberta.ca/COVID19</u>.

If you would like a specific issue addressed in an upcoming update, please email your request to <u>ma.lgsmail@gov.ab.ca</u>.

Municipal Affairs Updates

Previous COVID-19 updates are available online at: <u>www.alberta.ca/municipal-</u> <u>government-resources.aspx</u>

Christmas Closure

Will there be support from Municipal Affairs over the holidays should any urgent matters arise or if

there are changes to the current health orders?

YES. Although our office will be closed from December 25 to January 4, you can email any time sensitive inquiries to <u>ma.lgsmail@gov.ab.ca</u> inbox, which will continue to be monitored.

As we enter into this holiday season, take time to rest and reflect on the great work you have done in being responsive to your citizens and businesses during this challenging year.

2021 Municipal Elections

The 2021 nomination period starts when municipal offices reopen in January 2021. For municipalities with nomination deposit bylaws, the *Local Authorities Election Act (LAEA)* requires nomination deposits to be in cash, certified cheques, and money orders. Are there other paperless options available to encourage the current COVID-19 pandemic?

YES. On December 14, 2020, the Honourable Tracy Allard, Minister of Municipal Affairs. signed <u>Ministerial Order No. MSD:103/20</u> to amend specific requirements under Section 30(1) of the *LAEA* to allow deposits to be provided to the returning officer by in-person payments using a debit card or a credit card, in addition to the current cash, certified cheque, or money order options. This modification is only in effect for the 2021 general election year.

If a nomination deposit bylaw states the form of payment, do municipalities need to amend their bylaw to include the new methods of payment?

YES. The MO No. MSD:103/20 does not amend a local bylaw. If a municipality's local bylaw includes provisions that limit the way in which payments can be made, the bylaw would need to be amended to enable debit and credit card payments for 2021 only.

Public Libraries Resources

Resources are available at: www.alberta.ca/public-library-services.aspx

Municipal Governance during the COVID-19 Outbreak

Can our municipal office remain open to accept nomination forms?

YES. Employers shall require employees to work from home, unless their physical presence is required to effectively operate the workplace. Municipal offices could remain open to accept nominations papers. Determining what constitutes an essential service remains a local operational decision, and individual municipalities are encouraged to choose a process for accepting nomination forms that they deem appropriate. Nomination forms can be accepted at specific times set by the returning officer, by appointment, or at a secure drop box.

General Questions

Can we provide an option for households to rent public facilities (pools, indoor rinks) for personal use?

NO. Alberta's Chief Medical Officer of Health's current recommendation is that municipal recreation facilitates should not be rented out to individual households, as this is difficult to determine whether social gathering restrictions are being adhered to.

Are there resources available to ensure municipal messages are consistent with the provincial public health guidance?

YES. The Government of Alberta collection of COVID-19 visual resources is updated and also includes a new mandatory masking poster that municipalities and your community partners may use. Information posters and fact sheets can be accessed and downloaded <u>online</u>.

2 Atbe

In order to adhere to social distancing requirements, our municipality has moved council meetings to the community hall. Given the current orders restrict the use of community halls, is council required to change the location?

YES. As community halls are to remain closed except for a permitted use, councils should conduct meetings electronically per the <u>Public Meeting</u> <u>Procedures (COVID-19 Suppression) Regulation</u>. If meetings have already been scheduled to take place in the community hall, councils must call a special meeting to change the location of the meeting. If time does not permit a special meeting to be called, municipalities should review their procedural bylaw, which may set out the process for adjourning a meeting should council not achieve quorum.

Relaunch Status Map

Map reporting formats are updated. To review the level of risk in your community, rate of COVID-19 cases, number of active cases, and current measures in place, visit: <u>www.alberta.ca/maps/covid-19-status-</u> <u>map.htm</u>

Additional Resources

The Alberta Urban Municipalities Association (AUMA) and Rural Municipalities of Alberta (RMA) continue to be a valuable resource for municipalities.

Social Services Support for COVID-19 Progress Report

Organization Information File F139

Name of Organization: Yellowhead Community Support Society [Y.C.S.S.]

Banker: FCSSAA

Local FCSS Program: Mannville-Minburn-Innisfree Family and Community Support Services [M-M-I F.C.S.S.]

Total funding amount: 15,500

Date funding received: June 12, 2020

Program Description

Please provide a description of how the funding was used to support the social well-being of vulnerable Albertans affected by COVID-19 in the community.

The funding was spent as intended, with some adjustments in where the actual costs occurred.

□ We provided coordinated access to supports that allowed residents impacted by COVID-19 to remain in their homes and still receive services and programs relevant to their immediate situation.

□ In partnership with M-M-I F.C.S.S. and MMI Family Resource Network, we provided Porch Packages to every household in our entire service area. Some were delivered by volunteers and some where mailed. Inside the packages we included AHS information about COIVID-19, Community Business & Services connection list, an activity, Help Line, Counselling Services Contact numbers and MMIFRN / M-M-I F.C.S.S. information. We offered presentations in two communities: "How to Find Balance in a Time of Uncertainty."

□ Supports include:

: delivery of local grocery store groceries, and food bank bags. In partnership with the local Cornerstone Co-op and the Mannville Food Bank, we were able to provide volunteers to deliver groceries to those needing the service.

: referrals with subsidies to Counselling services by phone, skype or Zoom and when possible, in Person. In partnership with Good Life Counselling Services, we were able to connect individuals and families to Counselling services from July to Dec.

: Check in Service -Weekly phone calls, facetime, skype or zoom individually as well as group sessions. In Partnership with M-M-I F.C.S.S. [SMILE Program], we were able to instigate a Phone Visiting Program in which staff, made connecting phone calls to seniors in the community. These check in calls were instrumental in finding out about other needs of that group of people and contributed to reducing isolation.

: Newsletter Fan Out. School Swift were used to email information about our programs and services to all families with children connected to our schools. Mannville and Innisfree Village offices send out regular newsletter, and in partnership we were able to include our programming information, which was modified to meet the AHS restrictions.

Outcomes

Please report on the outcomes selected in the funding request form.

1. Enable vulnerable Albertans to have their social well-being needs met, which have been compromised during or as a result of the COVID-19 pandemic.

Performance Measure: Number of individuals served through Social Services Support for COVID-19 grant:

OUTPUTS

>Porch Packages delivered to 1000 family dwellings

>Counselling Services: # 11 of Clients [6 youth, 5 adults] # of Sessions 62 [50 Video, 9 phone, 3 in person]

>Community Presentations: # of Sessions 2; # of attendees 21

>Phone Visiting Program: # of clients 41 # of calls made 34 # of Referral to support agencies 66
>Covid Programs/Services Information included in Village Newsletters: # sent out Monthly 1000 x 9
months 9000

>Grocery Delivery: # of deliveries 181 # of Volunteers 20 # of clients 40

OUTCOMES ACHIEVED

>Community members have capacity for planning and decision making: 11 of 11 participants in the Counselling Program.

>Community members are more connected with others: 180 of 222 total participants in the Phone Visiting and the Grocery Delivery Program and Porch Package/Newsletter Programs

>Community members feel a sense of belonging: 180 of 222 total participants of the Phone Visiting Program and the Grocery Deliver Program and Porch Package/Newsletter Programs

□ Not applicable

2. Engage individuals, families, communities and civil societies in identifying and implementing ways to meet their social well-being needs during the COVID-19 pandemic.

Performance Measures:

Number of community organizations/funded agencies engaged in providing services and supports: **12 Community partnerships with**: Mannville School, Innisfree School, Mannville Library, Innisfree Library, Cornerstone Co-op, MMI Family Resource Network, VIBE, Good Life Collective, Golden Age Seniors Society, Mannville & District Chamber of Commerce, Village of Innisfree and Village of Mannville. Number of volunteers engaged in providing services and supports: **20 Volunteers: 14 Adults and 6 Youth** \Box Not applicable

3. Provide additional social infrastructure to support the social well-being of Albertans who are affected either directly or indirectly by COVID-19.

Performance Measure: Type of additional supports created/provided: The main part of this project was to offer free counselling services to those in need that may not have otherwise used the service. This was well received and used. Our M-M-I F.C.S.S. Needs Assessment identified counselling services as a high need. This project helped to meet that need. The unfortunate thing is that the funding was not enough to continue.

We have applied for the Mental Health & Addictions funding in hopes of continuing the service as well as hosting programs that encourage self help and to build resilience. The Delivery program was successful to meet the needs of those needing grocery deliver. The partnership resulted in a more unified service within the community. M-M-I F.C.S.S. Meals on Wheels Delivery Driver program is working with the Co-op to do deliveries on the same dates. Other partnerships with the Library and Restaurants are being pursued to share delivery Volunteers as a continued project.
